“Committed to Educational Excellence”

BOARD VACANCY March 2010

The Board of Trustees of International Schools Group, Saudi Arabia, invites applications for appointment to the Board. Interviews will take place in May 2010.

ISG is a not-for-profit educational organization which operates under a license from the Ministry of Education to deliver high quality international education to over 3,000 students in six schools across Saudi Arabia.

Appointment to the Board requires considerable commitment and as a general rule, at least 15 hours per month are required in preparation for, and participation in, meetings appropriate to the efficient operation of the Group.

The role of the 12 member Board is to operate at a strategic level and deal with issues of governance. It does not involve any day-to-day management of schools. Should you wish to take on a very worthwhile public-service role by joining the Board of Trustees of ISG, please submit a letter of application and a resumé to the following address:
