

ISG Alumni network

Building connections with former students and staff to support our schools!

February 2011

Hello everyone!

This month marks the departure of our four spectacular alumni interns, **Jenny Armstrong** (pictured right), **Holly Carberry**, **Kim Pham** and **Alissa Vovers** who have been instrumental in helping to launch many initiatives of the ISG Alumni Network program. ISG wishes them the best of luck as they head off to university in areas of Australia, London, Capetown and to complete intensive foreign language studies in Syria.

As a result of their contribution of time, creativity and enthusiasm, the ISG Alumni Network is on Facebook. Click on the Facebook social network plug in at the top of this page, complete a search for 'ISG Alumni Network' or simply following the link: www.facebook.com/ISGalumni.network. Alumni are encouraged to post comments on the Wall and submit photos, stories and updates to share with other alumni! The Worldwide Alumni Network database is also in process. Alumni are asked to be patient as we develop systems for consistency in our communications and create our data management system. If you have any questions or wish to connect with fellow alumni contact us alumni@isgdh.org.

Please note that ISG has established a Gmail account to facilitate communications with alumni. When contacting us, please continue to use our main email of alumni@isgdh.org but know that the email ISGalumni.network@gmail.com is from our dedicated team of student and alumni volunteers.

- **Do you live overseas?** Please contact ISG District to explore how you can get involved from your location internationally.
- **Planning to visit the Kingdom?** We hope you will contact us and arrange a visit. ISG District can help facilitate campus visits and is always looking for volunteers to share their expertise.
- **Spread the word!** Help us connect with ISG alumni worldwide and encourage your former classmates and colleagues to register at alumni@isgdh.org.

ISG District looks forward to hearing from you and thanks you for keeping in touch!

Sincerely,

Catherine Geisen-Kisch

ISG Alumni, Public Relations and Development

The ISG Worldwide Alumni Network is comprised of thousands of individuals who have been a part of our educational community from our inception in 1962 to the present day. As such, former ISG students and staff are part of an expansive and dynamic, world-wide network of people much larger than the specific ISG school from which they graduated or where they taught and/or attended school. Nearly 6,000 ISG (formerly SAIS) alumni are linked via various Facebook pages already on the worldwide web!
