ADMINISTRATIVE ANNOUNCEMENT

December 4, 2010

International Schools Group is delighted to announce the appointment of Rick Barnhouse as Director of Facility Development. The position will take effect from the beginning of the 2011-2012 academic year.

Mr. Barnhouse is currently serving as the Principal of ISG Dammam, a position he has held from 2004. He was formerly the Principal of Abqaiq from 1998 to 2004 and Vice Principal Support Services of Rahima Academy from 1995-1998.

Mr. Barnhouse began his career with ISG when he and his wife, Jana, joined the organization in 1991. Prior to ISG Rick and Jana had taught for three-years in Jeddah from 1988-1991. Before entering administration Rick was a Physical Education teacher and Activities Director.

Rick and Jana have contributed greatly to the development of ISG over their many years in the District. Jana taught Math before she was appointed as Principal of DEMS in 2007. Their eldest child, Leah, is currently attending Wittenberg University in Springfield, Ohio. Leah is a true product of ISG having completed all Pre-K to 12 education within the District. Their son, Aaron, is still in Kingdom and attends DEMS in grade 6.

Over the years Rick has had considerable experience of working closely with the development of facilities at the various schools where he has been an administrator. ISG is currently driving forward major building projects in Jubail, Yanbu, Dammam and potentially the Dhahran Campus. Rick will, therefore, be a valuable asset in utilizing his experience in facility development for the benefit of the District.

Mr. Barnhouse is looking forward to his new role; his background as an educational leader, combined with an extensive knowledge of Saudi Arabia, will bring tremendous value to the ISG District of schools.

ISG wishes to congratulate Mr. Barnhouse on his appointment.
