“Committed to Educational Excellence”

ADMINISTRATIVE ANNOUNCEMENT

December 4, 2010

International Schools Group is pleased to announce the appointment of Virginia Prairie as District Coordinator of Teaching and Learning. The position takes effect from the beginning of the 2011-2012 academic year.

Virginia joined ISG in 2005 with her husband, Shane, and two young children, Ella-Rae and Satchel. They were initially appointed to the Yanbu International School before the family moved to DEMS in 2007. While in Yanbu Virginia was responsible for a grade 6 class and Shane taught middle school Math, Science and Social Studies.

When Virginia initially entered DEMS she taught 8th grade Language Arts and Social Studies before taking a 5th grade class in the current school year. Shane taught for three-years at DEMS as a middle school Science and Math teacher before moving to DHS in the current school year to teach Social Studies.

Prior to joining ISG Virginia taught for six-years: two-years as an 8th grade English and Geography teacher in Lexington, Virginia; two-years as a 6th grade English teacher in Beirut, and two-years as a 7th and 8th grade Language Arts teacher. Virginia has recently completed a Masters in Educational Leadership.

Virginia looks forward to working closely with teachers and administrators across the District's seven schools. Her enthusiasm, experience, education, and expertise will bring tremendous value to the ISG District in coordinating, facilitating and leading curriculum initiatives. She will be responsible for working closely with site administrators in supporting schools to achieve accreditation recommendations as well as to conduct research and to promote discussion on areas that will be of recognized value to the District i.e. "Looking for Learning".

ISG would like to take this opportunity to congratulate Virginia and wish her every success in her appointment as District Coordinator of Teaching and Learning.
