**GUESS
WHO'S
TURNING
50!**

ISG District would love to hear your stories and obtain historic materials which help document ISG's 50 year history in the Kingdom of Saudi Arabia.

Do you have fun facts, photos or video clips to share?

Are you in contact with alumni (our former students and staff)?

If so, encourage them to connect with the ISG Alumni Network!

Contact alumni@isgdh.org or ISG Public Relations for more information.

In 2012, ISG will celebrate 50 years of educational excellence in the Kingdom of Saudi Arabia. Our first school, the Consular Academy opened in 1962 with only 6 students. Contact ISG District for more information and find out *how you can get involved.*
